
SOUTHERN EQUATOR NATION-STATES MISSION PLAN

INTRODUCTION:

Southern Equator Nation-States Mission seeks to advance the Kingdom of God in countries in the Southern Hemisphere. God has put in Christ the Hope of Glory Prophetic Ministries ("CHGPM") a burning passion for Southern Equator Mission to herald the message of His kingdom. The call begins with Southern African nation-states, as the epicentre and then proceeds to other nation-states. He revealed that the Great Commission is an important command from Jesus Christ that many churches/ministries are increasingly taking for granted. Through the Southern Equator Nation-States Mission, the local "born-again" churches will be revived to discard presumptions about the Great Commission and recognize the urgency of this task, particularly in the Southern Hemisphere. The world is in dire need of Jesus Christ than ever before.
